

BICYCLES AND BOATS

By regulation¹ bicycles and boats belonging to a registered student (except one who has MA status) who is keeping residence as a requirement of a course of study should be marked with a letter indicating the owner's College and a personal number allotted by the College. Marking may also help to prevent theft and improves the chances of recovery if it occurs.

Boats kept or used on the River Cam by such students must be registered with the Conservators, see <https://www.camconservancy.org/> and should have a College letter and number clearly marked on the bows.
