

FLY-POSTING

No member of the University shall intentionally or recklessly damage or deface or knowingly misappropriate any property of the University or of any College¹:

Unauthorized postings on University or College premises are a breach of this regulation.

Unauthorized postings are also contrary to the Town and Country Planning Act 1990 (on private property) and the Highways Act 1980 (in a public place). Material may be illegal for other reasons, or defamatory, even if the posting is authorized. The City Council acts against fly-posting within the City, and individuals or groups failing to remove illegal postings after notice from the Council may be prosecuted.
